Letters of Recommendation from Buyers & Sellers

Ina did a wonderful job for us! She is the ultimate professional in every way and very detail oriented. She manages contingencies and inspections adeptly and in a most timely manner. We've worked with Ina on three separate contracts and we couldn't be happier with the way she processed all of them. Ina is a consummate realtor, and the best we've worked with in Incline Village and Reno!

To All Existing and Prospective Sellers and Buyers of Residential Real Estate in Incline Village:

I interviewed several real-estate brokers in the early process of selling my home in Incline Village. Ina Haupt stood out immediately to me as knowledgeable and professional. However, as I got to know her better and worked with her, I was very pleased to discover that she is a kind, diligent, caring real estate professional. I travel a lot for business, but even when I was away, she tirelessly and relentlessly marketed, prepped and showed my home throughout the long winter months.

When we received and accepted an offer, she also fastidiously stood by my side in dealing with all the subtle but necessary nuances of the inspection and exceptions removal process, all of which resulted in a successful sale at a very good price. I discovered, much to my delight, that from the beginning to the end, her tireless attention to detail, from staging and marketing, to cleaning and moving, her sensible recommendations for the tasks at hand, made the job easier for me and my family.

I enthusiastically recommend Ina with complete confidence. She distinguished herself representing me both as a seller and as a buyer in separate transactions, both of which, for reasons that had nothing whatsoever to do with her, required flexibility, adaptability and persistence, all of which are characteristics she possesses in abundance.

Despite all that, however, one of the biggest bonuses for me, which made the process even better, is that she's got a great heart and is a fabulous person and I am both pleased and proud to be her friend.

From start to finish Ina was a true professional and a delight to work with. She understood as trustees to our mother's home we were broke and needed to get the best price and sell it quickly. Her attention to detail in negotiations where we knew minimal was a life saver. Her staging of the house was sublime. Thirty day escrow!

Wham, Bam, Thank you Ma'am! Casey Eldredge

We found Ina to be extremely thorough, concise, and straight-forward in sharing her expertise on the market value of our home. We both enjoyed her pleasant demeanor and felt her personal connection with our circumstances concerning the value of our home. We especially appreciated her thoughtful and meticulous observation of every detail of our landscaping, floor plan and additions to our home. Ina was very timely with all of her responses and documents. We consider Ina Haupt to be the most professional and well-informed realtor/broker in the Tahoe area. Her professional knowledge and personal connectivity with our needs was exemplary. Based on our association and experience with Ina, we are confident that using her, as our realtor, would be to our benefit and undoubtedly would be a rewarding experience.

Sincerely, Tom and Lynette

Now that we have completed escrow on our home in Incline Village, we just wanted to send you a note thanking you for all your effort. We were really lucky to have found you.

Your quick response to our original inquiry last Thanksgiving really set things in motion. During several trips to the area, you drove us from place to place, allocating the entire day to showing us as many places as we could squeeze in several times. Your search included emailing new listings, printing notebooks for our reference and monitoring the status of those listings that interested us. Ultimately, your recommendation to submit a backup offer resulted in our purchase of the property we liked best.

Your support through escrow, providing a punch list and timeline for all the actions that needed to be completed by each party, really made the deal go through. Without your attention, I don't believe that we would have closed on time.

Thank you to for your support after the close of escrow in getting the gas turned back on, and putting a space heater in the house to prevent freezing really were above and beyond what we have experienced from other realtors in other transactions. We can't thank you enough.

Ina is the best... so knowledgeable and experienced, Ina made selling our house an easy experience. She staged our house beautifully and listed it quickly with stunning photography. It sold quickly and for a good price. She and her staff worked hard for us and went above and beyond.

My wife and I were just saying: if we listed our house, whom would we want for our agent? Then about a week later, we met Ina Haupt who rang the doorbell and asked if she could preview our house for her prospective buyer. We ended up selling our house and Ina was the agent for the buyer. She was much more competent than our agent.

Ina is a long term resident of Incline Village and she impressed me with her recognition of value in the Tahoe market. Her energy and attention to detail was only surpassed by her knowledge and experience at her business.

In the future, if we were involved in a real estate transaction in the Tahoe area, I would want to work with Ina and would highly recommend her. Our only regret is that we left the Tahoe area and could not enjoy Ina's friendship.

I want to thank you for doing such a wonderful job in an absolutely professional manner. Your competency and attention to detail was refreshing in this day and age.

Thank you. We are very excited. Looking forward to meeting our new neighbors. Thank you for helping us meet them. We know that this house is going to be perfect for us. We can't thank you enough for assisting us in acquiring it.

All the best, Jennifer and Mark

Ms. Haupt is known in the community as a hard worker who still finds time for her family and to volunteer her services to charitable and other benevolent causes. She has an excellent reputation in the community for honesty and integrity. I have had occasion to retain her professional services in the past, and was impressed by her diligence in pursuing the matter to a successful conclusion on my behalf.

Very truly yours, Judge James V. Mancuso

I look forward to working with you.

Dear Ina, Nancy and I are extremely happy now that we have officially become "Decliners" and are appreciative and grateful for all of your efforts, help and tenacity in working with us over the past 18 months to make this happen.
